

### Who we are

Since 2004, the Queensland Water Directorate (**qldwater**) has represented the interests of members within the urban water industry. **qldwater** was established to address the need for a central body to promote technical advice and consistency within the Queensland Water Industry and to represent Local Government water authorities at a state level.

**qldwater** promotes safe, secure and sustainable urban water services. As the Queensland urban water industry's central representation body, we aim to provide advisory and other member services to improve the quality of urban water services within Queensland communities.

2020/2021 financial members of **qldwater** included: 2 of 2 Torres Strait Island council Service Providers, 15 of 15 Aboriginal council Service Providers, 52 of 52 (non-indigenous) council Service Providers, 2 of 2 council owned statutory authorities in SEQ, 1 of 2 state government owned Statutory Authorities (Water Boards) and Affiliate Members – Trility Pty Ltd, Viridis Consultants, Veolia, Solomon Water and the Queensland Government Department of Health and Department of Natural Resources, Mines and Energy, Community Solutions, Research Lab.

Affiliate Membership funds are directed towards enhancing **qldwater** communication products. We reserve the right to refuse membership to organisations that may have a conflict of interest with **qldwater** objectives.

Sponsorship opportunities are also available for **qldwater** events such as Regional Conferences and the Annual Forum.
