

Polo Shirt Sponsorship

Put your brand front and centre across
Queensland's urban water sector!

qldwater is offering a limited opportunity for organisations to showcase their brand on the official **qldwater** member polo shirts.

Worn by **qldwater** members, staff and representatives at industry events, site visits, training activities, conferences and workshops, these shirts provide ongoing visibility for your organisation throughout the year.

This sponsorship is an affordable way to demonstrate your support for Queensland's urban water sector while gaining exposure to professionals from councils, utilities, government agencies, consultants, and industry suppliers across the state.

Sponsorship Investment

\$1,500 + GST

Only six sponsorship opportunities available

Why Sponsor?

Unlike event sponsorships that provide exposure for a single day, polo shirt sponsorship offers ongoing visibility wherever the shirts are worn, including:

- **qldwater** forums and conferences
- Training workshops and webinars
- Regional alliance meetings
- Water Connections Tours
- Industry networking events
- Site visits and community engagements
- Professional activities throughout the year

Your logo will be seen by water industry professionals across Queensland, helping reinforce your organisation's presence and commitment to the sector.

Secure Your Sponsorship

With only six logo positions available, this opportunity is expected to fill quickly.
